Terms and Conditions

The **Keystone Emergency Management Association** (KEMA) is the official and only “Organizer” of the annual **Pennsylvania Emergency Preparedness and Homeland Security Conference**, #KEMACon2025. The Organizer has the right to adjust content, times, and dates at any time.

Payment: A exhibitor sale requires a 100% payment that is due to KEMA upon execution of an agreement. A sponsorship sale requires a 100% payment that is due to the KEMA upon signature of an agreement. Any “offline” payments are required to be received within 14 days of the online application.

Agreement to Conditions: Upon the KEMA’s acceptance of the application, the Exhibitor agrees to abide by the terms and conditions listed.

Exhibit Space: One six-foot draped, skirted table, and two chairs constitute one booth area (approximately 10’ X 6’).

- This does not include back wall, sidewall, drapes, signs, labor, security, gas, or water. **Electric IS included.**
- **Depth:** All display textures over 4 feet height and placed within 10 lineal feet of an adjoining exhibit, must be confined to that area of the exhibitor’s space which is within 5 feet of the backline.
- **Intent:** Each exhibitor is entitled to a reasonable sightline from the aisle, regardless of the size of their exhibit. Exhibitors with larger space (more than one booth) should also be able to effectively use as much of the total floor space as possible, if they do not interfere with the rights of others. The limitation on display fixtures over 4 feet and within 10 lineal feet of a neighboring exhibit is intended to accomplish both aims.
- All use of exhibit space is subject to Convention Center’s current rules and regulations for exhibit services and must be in compliance with the local safety and fire codes.

Proper Use of Exhibit Space: Exhibitors may not reassign, sublet, or allow other companies to use the whole or a part of the space assigned by KEMA. Exhibitors may not display or advertise any goods or services not manufactured, distributed, or otherwise provided by the exhibiting company during the normal course of business. Only those companies exhibiting or sponsoring with KEMA can promote their products or services and only in their assigned space. **All displays, demonstrations, sales activities, etc., must be contained within the reserved booth space.** Exhibitors may not impede traffic through the aisles.

KEMA policy firmly restricts representatives or organizations that have not been assigned an official exhibit booth space from soliciting business and from distributing promotional materials of any type inside or outside of the Venue, Exhibition Area or Conference Spaces or any other areas. Those caught doing so will be immediately asked to leave. KEMA’s status as a nonprofit organization precludes direct sales of any goods from the exhibit floor. Attendees may place orders with exhibitors for goods or services. The use of audio visual, sound, virtual reality, drone, or other special effects equipment may not obstruct or otherwise interfere with adjacent booths and must be pre-approved in writing by KEMA.

Insurance: An Exhibitor acknowledges that KEMA and the Blair County Convention Center does not maintain insurance covering the Exhibitor’s property and it is the sole responsibility of the Exhibitor to obtain business interruption coverage and property damage insurance covering any such property losses incurred by the Exhibitor.
